Dear Applicant :

Please be advised that your application for a DEC permit(s) is complete and a technical review has commenced. Notice and the opportunity for public comment is required for this application. Enclosed is a Notice of Complete Application for your project. Please have the Notice published in the newspaper identified below once during the week of 06/15/2026 on any day Monday through Friday.

The official newspaper of the Town of Clay. Contact the Town (City) Clerk's office to confirm the official newspaper.

On the Notice of Complete Application, that information presented between the horizontal lines, on the enclosed page(s) should be published. Do not print this letter or the information contained below the second horizontal line. Please request the newspaper publisher to provide you with a Proof of Publication for the Notice. Upon receipt of the Proof of Publication promptly forward it to this office. You must provide the Proof of Publication before a final decision can be rendered on your application. You are responsible for paying the cost of publishing the Notice in the newspaper.

Notification of this complete application is also being provided by this Department in the NYSDEC Environmental Notice Bulletin.

This notification does not signify approval of your application for permit. Additional information may be requested from you at a future date, if deemed necessary to reach a decision on your application. Your project is classified major under the Uniform Procedures Act. Accordingly, a decision is due within 90 days of the date of this notice unless a public hearing is held, which may extend this time frame. If a public hearing is necessary, you will be notified.

If you have any questions, please contact me at the above address or phone number above.

Sincerely,

KEVIN M BALDUZZI

State Environmental Quality Review (SEQR) Determination
Positive Declaration

SEQR Lead Agency Onondaga County Industrial Development Agency (OCIDA)

The Proposed Project, and associated connected actions, are subject to review under the State Environmental Quality Review Act (SEQRA) and the National Environmental Policy Act (NEPA). This project is a Type 1 action for SEQR, and a SEQR lead agency was coordinated.

On June 25, 2025, OCIDA, as joint lead agency with the Creating Helpful Incentives to Produce Semiconductors (CHIPS) Program Office (CPO) created by the United States Department of Commerce, accepted for public review and comment the Draft Environmental Impact Statement (Draft EIS) for the proposed Micron New York Semiconductor Manufacturing Project.

State Historic Preservation Act (SHPA) Determination

The proposed activity is not subject to review in accordance with SHPA. Pursuant to Section 106 of the National Historic Preservation Act, the Department of Commerce is the lead federal agency consulting with the New York State Office of Parks, Recreation and Historic Preservation as well as potentially affected Tribal Nations for the proposed Micron Main Campus, Rail Spur, Childcare Center, and connected actions. The USACE is the lead federal agency for the proposed wetland and waterbody mitigation sites and is evaluating the undertaking for effects to historic properties as required under Section 106 of the National Historic Preservation Act.
